

# Sunday Social

meeting at 9:30 am  
each Sunday morning  
(starting Sunday, January 15)

It's just what the name implies, a sociable gathering to play a round of disc golf.

A chance to meet and/or play with people you might not otherwise have the opportunity to throw with.

Format to be determined by majority vote each week.

It can be competitive or simply casual. Format ideas could include singles, random-draw doubles, skins, wolf, Ript, etc. No extra costs unless players choose to make wagers.

**Winter golf is much more fun when you have people to play with.**

**Come out and have some fun on Sunday!**
